ACTION SHEET: NAMING YOUR POD

PLANTPURECOMMUNITIES.ORG

There is a great variety of names used by Group Leaders in the Pod Network ranging from formal names such as 'Alaska Vegan Society,' to more informal and funny names such as 'Give 'Em Kale!'

Please note that there are names which have been trademarked by other organizations, such as "plant strong," "plantstrong," "plantpowered," "plantpower," and "plant power."

Below are some words you may want to consider in naming your Pod:

Adventure	Breathe	Fit	Jubilant	Pure
Alive	Celebrate	Fresh	Leaf	Revitalize
Awake	Centered	Green	Life	Seeds
Awesome	Connections	Growing	Living	Strength
Becoming	Conscious	Growth	New	Venture
Beginning	Dynamic	Happy	Peaceful	Vitality
Beginning with Plants	Energized	Health	Petals	Well
Being	Evolution	Healthy	Plant Driven	Wellness
Beings	Evolving	Heart	Plant Empowered	
Better	Exhilarated	Hearty	Planted	
Blossom	Exuberance	Inspired	Rooted	

While a Pod may refer to itself as being an independent member organization of the PlantPure Communities Pod Network, as an independent group, the term "PlantPure" should not be part of the Pod name. (PPC created a Badge for Group Leaders to use on their websites and flyers to show their Pod's connection to the PPC Pod Network. For more information and terms for the badge, [go here.](#))
